Sad we have lost everything. We finally got our family together our youngest moved up from Idaho in June then on August 29th we had nothing not even things to salvage. Now we are eight souls living in 32 feet of space in a Culdasac infront of my husbands sisters home. things are very hard on all.

Write something special that you would like Santa to bring you or your family:

Myndee would like to replace her set of Harry Potter Books (Heard back) Fallon misses her Remote Controle Hummer Santa brought last yr. Scott would like a small bowling bag or an X Box 360 Angela would like to see her family happy & the 3rd Season of Charmed on D.V.D or Earrings

Please use back or another sheet of paper, if you want to write more. We want to hear your story.
